

A message from MCEA President Doug Prouty

Greetings,

My name is Doug Prouty, and I am President of the Montgomery County Education Association (MCEA), the voice of more than 12,000 teachers and educators in the Montgomery County school system.

Hans asked me to share the good news with you: **MCEA is recommending Hans Riemer for County Council, At Large.**

We decided to support Hans because he brings a fresh perspective to our challenges, and because he is a candidate who we believe will be an advocate for our schools and the children we teach every day.

We want a progressive champion to help guide us through the fiscal crisis that is upon us -- someone who will work hard to ensure this county does not slip from its commitment to excellence in public education, which we see as the best chance for all children to realize their full potential.

We are confident that Hans will lead us forward to meet this challenge.

Hans has been running an incredibly strong grassroots campaign, gaining support from community members and leaders across the county. We are very proud to join his broad and growing coalition.

On behalf of MCEA, I urge you to support Hans Riemer for County Council.

Sincerely,

Doug Prouty, President
Montgomery County Education Association
